## PC-8400

### BASE COAT WHITE

PC-8400 Base Coat White is a premium rich white universal replacement toner found in automotive base coat mixing banks. This deep white toner may be used in place of many OEM paint manufacturers mixing bank white. This product may be mixed with other base coat toners that are used in the formulation of all colors. PC-8300 Base Coat White must be Reduced with PC-870 Medium Urethane Reducer. Reduce with appropriate reducer temperature according to shop temperature.
